Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. These buttons work using pieces of code coming from Facebook, Twitter, Instagram and Pinterest themselves. This code places cookies. These social media buttons also can store and process certain information, so a personalized advertisement can be shown to you.

Please read the privacy statement of these social networks (which can change regularly) to read what they do with your (personal) data which they process using these cookies.
